The decedent owned a 50% interest in Levin & Carlson, a California General Partnership, and also owned title to 50% of the partnership land, as set forth on Corrected I&A #3 filed 1-23-15. The other partner is Marilyn Lungren. Both women inherited their interests from their parents. The terms of the partnership documents permit continuance of the business upon agreement between Petitioner and the surviving partner or dissolution of the partnership at the end of the crop year following the death of a partner.

Petitioner's counsel periodically followed up with counsel for Ms. Lungren regarding the business, requesting reports, et al., required by the partnership documents if the business was to continue following the decedent's death. Ms. Lungren did provide certain information, including a nice letter dated 4-2-14, in which she notes that taxes are due in December 2014, giving the appearance that she intended for the partnership business to continue for a lengthy period of time.

SEE ADDITIONAL PAGES

Page 2

Petitioner states: The partnership is the lessor and Scott Raven is the lessee of that certain farm lease dated 12-1-02 (extension of prior 1993 lease) that expires in 2023 (Exhibit D). Complicated rights to purchase the real property are included in the referenced documents. The documents give Ms. Lungren the right to purchase the estate's interest in the partnership land. Scott Raven has a right of first refusal in the Farm Lease in the event the land is sold, but not if purchased by Ms. Lungren.

Earlier in 2014, communications occurred between Petitioner and Ms. Lungren and counsel regarding Ms. Lungren's intentions with respect to her right to purchase the decedent's interest. After a few months, Ms. Lungren proposed that she and Petitioner jointly market the real property. A price range was discussed in July 2014 between Petitioner and his counsel, Ms. Lungren and her counsel (Russell Wood, Esq.), and James Olivas, farm land specialist realtor.

Subsequently, Ms. Lungren and Petitioner agreed that an offer should be made to Scott Raven for purchase of the land for \$32,000/acre less 4% in lieu of a real estate commission. This is in the range of the FMV that Mr. Olivas had suggested. Mr. Wood sent a letter to Mr. Raven, copied to his attorney, J. Stanley Teixeira, on 8-5-14 communicating the offer to sell the partnership land (Exhibit E).

On 10-6-14, Mr. Teixeira transmitted a letter to Petitioner's counsel via email and mail informing her that Scott Raven and Charlyse Raven had purchased Ms. Lungren's interest in the partnership land for an undisclosed price. See deed purporting to convey interest at Exhibit F. The amounts of transfer taxes are not disclosed, concealing the amount of reported consideration for the purported transaction. Mr. Teixeira's letter also included an offer to purchase the estate's interest in the partnership real property for \$1,000,000.00.

To inform the Court, 241.9 acres at \$32,000/acre calculates to \$7,740,800; the estate's 50% share is \$3,870,400. On information and belief, the Probate Referee considers the lengthy lease to Scott Raven to be a detriment to value and appraised the land in the range of \$12,000/acre as of the decedent's death (3-29-13), severely discounting the value. The Probate Referee assigned a value of \$1,456,021 to the combined partnership land, \$12,021 of which was partnership cash.

To further inform the Court, the partnership documents prohibit sale of the partnership land by a partner without the consent of the other partner. Petitioner believes Ms. Lungren may have breached her fiduciary duties as partner by purporting to sell her interest in the land to Scott Raven and his wife, that the purported sale may be void or voidable and/or that Ms. Lungren may be liable to Petitioner and the estate by reason of her breach. From the information communicated to Petitioner by Mr. Olivas and others, Mr. Raven's proposal to purchase the estate's share of the partnership land is egregiously under market value.

Petitioner requests an order of this Court authorizing Petitioner not to proceed to sell the estate's interest in the partnership land as proposed by Mr. Raven.

SEE ADDITIONAL PAGES

Page 3

Petitioner states: Petitioner believes he has rights to partition the land and is informed that if Mr. Raven's purchase is valid, the consequence may be that his leasehold is extinguished, thereby relieving the partnership land of the burden of the lease on its value and tremendously increasing the value to the estate.

In the alternative, if the lease is valid, it disparages the value of the land, and Petitioner may be better served to wait until the lease expires in 2023 and then sue in partition. The charitable beneficiaries of the estate are better served by obtaining the earliest highest and best price on sale of the land, and are not well served by delayed distribution, however, waiting until the value is not adversely impacted by the lease is in the beneficiaries' best interest.

Petitioner alleges that as executor and on behalf of the estate, he may have valid claims against Ms. Lungren, Mr. Raven, and potentially others. Petitioner does not have the legal knowledge to evaluate all of these issues and requires advice of skilled legal counsel to act prudently in these circumstances on behalf of the estate and beneficiaries.

Petitioner therefore requests authority to engage his attorneys, Bryan Hinshaw, a professional corporation, to provide him with a thorough legal analysis of the current issues. Exhibit G is a proposed fee agreement and CV of attorneys Richard Bryan and Caroline Hinshaw. The attorneys have indicated that they cannot accommodate the foreseeable level of legal work required to complete an analysis and advise Petitioner as to next steps if payment of fees for their services will be deferred for a long time period.

Therefore, Petitioner requests that the Court authorize execution of the proposed fee agreement and payment for legal services billed at regular rates up to the sum of \$25,000.00 for Bryan Hinshaw to provide advice and guidance regarding the partnership and land. Petitioner understands that these legal services are separate from the decedent's estate and are to be accounted for separately. Both the legal services and the charges therefor in connection with the partnership land matters will be subject to subsequent Court review and can be reported periodically if the Court so wishes.

In addition, Petitioner is in a quandary regarding management of the partnership land in these uncertain circumstances. For example, County Tax Collectors will not accept partial payment of taxes. The portion purchased by Scott Raven will be reappraised for real property tax purposes. The estate should not incur the anticipated greatly increased real property taxes consequent to the reappraisal. Other issues include insurance, utilities, wells, etc. See declaration of J. Stanley Teixeira filed 11-24-14.

To avoid penalties, Petitioner has paid the first installment of the 2014-2015 real property taxes on the land pursuant to tax bills received and certain water district assessments. Pending resolution, Petitioner requests the Court authorize Petitioner to pay 50% of the expenses and costs associated with the estate's ownership of the land and require Scott Raven and Charlyse Raven to pay the other 50%. Upon the anticipated legal analysis and recommendations from counsel, Petitioner will develop a plan of action and may apply again to the Court for instructions or complaints for declaratory or other relief.

SEE ADDITIONAL PAGES

Petitioner requests this Court to order that:

- 1. Executor is authorized to not proceed to sell Estate's interest in the partnership land as proposed by Mr. Raven;**
- 2. Executor is authorized to execute the fee agreement in the form attached hereto as Exhibit G to engage Bryan Hinshaw as counsel and to pay the attorneys fees for legal services on invoice up to the amount of \$25,000.00 from the Estate, such legal services and the charges therefor to be subject to later review and approval by this Court;**
- 3. Pending resolution of the issues, Petitioner requests the Order of this Court authorizing Petitioner to pay 50% of expenses and costs associated with the Estate's ownership of the subject land and requiring Scott M. Raven and Charlyse Raven to pay the other 50% of such expenses and costs; and**
- 4. Such further order be made as the Court considers proper.**

See also Memorandum of Points and Authorities in Support of Petition for Instructions filed 12-22-14.

Objection were filed by Scott M. Raven, along with Memorandum of Points and Authorities, on 2-23-15. Supplement to Objections was filed 2-27-15.

Objector states Marlyn Lungren sold her interest to Objector by Grant Deed dated 9-29-14, and Ms. Hinshaw was advised of the sale by letter dated 10-6-14. No response was received for two and a half weeks, evidenced by Ms. Hinshaw's letter of 10-24-14. At no time during the course of repeated inquiry about purchasing the estate's interest in the land did Mr. Reiff or his attorney provide any indication that sale of the land implicated partnership interests. Objector was a bona fide purchaser of Ms. Lungren's interest in the property and Chicago Title Company provided title insurance without reservation.

Objector has made offers for purchase of the estate's interest and stands willing to purchase the property and negotiate terms of sale. There are factors affecting the value which if not addressed immediately could result in serious economic damage to the estate. The plum trees on the property are at risk of being dead within six months or less. Due to continuing uncertainties and delays, Objector has now served Executor with a demand for immediate response to this situation by virtue of a letter form attorney Justin Campagne to Ms. Hinshaw.

Executor requests that he be authorized not to sell the estate's interest in the land as proposed by Objector. If this means specifically Objector's offer of \$1,000,000, it is irrelevant, as Objector has already confirmed his willingness to negotiate and will address the most recent appraisal. If the request is intended to bar any sale to Objector, then it is illogical as he is the most likely and logical buyer for the estate's one half undivided interest. Executor suggests waiting for the lease to expire before selling. This blissfully ignores the impact of projected drought conditions for the foreseeable future and lack of any guarantee the property will be worth the same or more at that time.

Executor requests authorization to enter into a fee agreement for extraordinary legal services up to \$25,000. This seems an unnecessary and exorbitant charge on the estate's resources given that Objector does not dispute the estate's ownership interest or his obligations under the lease.

SEE ADDITIONAL PAGES

Objector states (Continued):

Petitioner requests the Court order Objector to pay 50% of the expenses and costs of the estate's ownership of the land. Objector, as a 50% owner of the land, is willing, has paid, and will pay 50% of expenses and costs associated with ownership, and as such, no order is necessary. Further, Objector, as a tenant, has paid rental proceeds as required under the terms of the lease, and has observed all terms and conditions and confirms obligations to the estate as a tenant.

In summary, Objector objects to the petition for instructions as irrelevant and unnecessary, causing undue expenses and protracted delay in estate administration, not to mention the risk to the estate posed by the glacial pace of response to the water/well matter. Objector has retained the services of Attorney Justin T. Campagne to evaluate potential action and remedy with respect to the apparent delay of the executor in addressing the water issues. Attorney Campagne has been in contact with Attorney Hinshaw, and is trying to ascertain whether any arrangements have been made by the executor for moving forward with drilling water wells. Attorney Campagne was informed that the Executor is in Israel for three weeks and his attorney has no means to communicate with him and cannot confirm whether the estate will replace the wells pursuant to the lease.

Despite repeated attempts to communicate regarding the urgency of this matter, Executor has been slow to respond and is now **incommunicado** (emphasis in original), though he is not in a third world country.

			JEFFREY MEYER , Trustee, is petitioner.	NEEDS/PROBLEMS/COMMENTS:
			Account period: 7/21/14 – 6/15/15	
			Accounting - \$465,184.53	1. Petition states the Trustee sold the ½ interest in real property owned by the trust. The trust instrument provides that any sale of real property must be authorized by the court pursuant to Probate Code §2540(b). 2. Petition states when the beneficiary was homeless, Frank Cortez offered her shelter and provided her a room in his shop. In addition he provided her with cash, toiletries, paper and utensil products and coffee. Petition requests authority to reimburse Mr. Cortez \$18,325.00 from the trust for rent and costs. Housing costs, maintenance costs are generally not special needs. In addition the statement from Frank Cortez is not itemized, but just lists each category's total such as "cash 421 days x \$25 per day = \$10,525.00."

NEEDS/PROBLEMS/COMMENTS (Cont.):

3. Petition states the trust received distribution from the Estate of Bernard M. Meyer (beneficiary's father). When Jeffery Meyer (petitioner herein) as executor of the estate distributed cash from the estate to the Trust he failed to hold aside cash in the estate to cover the final costs of administration and final income taxes due from the estate in 2013. Petitioner states the trust was required to reimburse the executor a total of \$9,563.70, which includes attorney fees of \$1,811.70. The Order for distribution in the estate ordered \$228,010.21 to be paid to the trust. Receipt schedule in the Trust show receipt of \$235,746.41 from the estate to the trust. The over payment to the trust from the estate totals \$7,736.21 and the reimbursement to back to the estate from the trust totals \$9,563.70. An overpayment to the estate of \$1,827.49. There is no authority for this trust to pay expenses for the estate that were not ordered in the estate. The petitioner also states he paid attorney fees totaling \$1,811.70. Where these attorney fees in addition to those ordered in the estate or are they part of the statutory attorney fees?
4. Attorney Matlack was awarded attorney fees at a flat rate of \$4,500.00 for the establishment of the Special Needs Trust. Billing statement included for this matter includes \$520.00 for the attorney to attend the hearing on the granting of the Special Needs Trust Petition. It appears that this charge should be included in the flat rate fee as it relates to the establishment of the Special Needs Trust.

Note: If the petition is granted, status hearings will be set as follows:

- **Wednesday, January 20, 2016** at 9:00 a.m. in Department 303, for the filing of the first final account of the special needs trust.

Pursuant to Local Rule 7.5 if the required documents are filed 10 days prior the date set the status hearing will come off calendar and no appearance will be required.

Attorney: Lisa Horton (for Petitioner Rande L Gramenz)

Amended First Account and Report of Trustee and Petition for its Settlement

		RANDE L. GRAMENZ , Successor Trustee, is petitioner.	NEEDS/PROBLEMS/COMMENTS: Continued from 9/1/15. Minute order states Ms. Horton reports that she is trying to work things out with Mr. Picone.

Kenneth Caballero was a joint owner but never signed a check, deposited or withdrew funds from the account while the Decedent was alive. All of the funds in the account on Decedent's date of death were hers. After Decedent's death, Kenneth Caballero used some of the funds to pay for funeral expenses, but kept the remaining funds. Trustee demanded the funds so that they could be deposited into the trust account but Kenneth Caballero refused. Since Kenneth Caballero kept those funds, then in the sum of those funds (\$59,494.49, after the payment of funeral expenses) will be counted as a preliminary distribution and taken from Kenneth Caballero's distributive share.

Objections to Amended First Account and Report filed by Daniel Caballero and Baldemar Martinez on 8/31/15. Objectors object to the Accounting with respect to Petitioner Trustee's assertion that the joint checking account titled in the name of Kenneth Caballero and Opal Gramenz was a Trust asset and that Kenneth Caballero's beneficial interest in the Trust should be reduced by the amounts left in the joint account at the date of Opal Gramenz's death.

Petitioner's assertion that the funds in the Chase Bank joint account are trust assets and should be counted against Kenneth Caballero's share is flatly wrong as a matter of law. As such the accounting should be revised.

Probate Code §5302 (a) establishes in pertinent part that:

"Sums remaining on deposit at the death of a party to a joint account belong to the surviving party or parties as against the estate of the decedent unless there is clear and convincing evidence of a different intent. . ."

Petitioner has not alleged, let alone proven, that Opal Gramenz and Kenneth Caballero intended for the money held in the Chase joint checking account to be distributed in a different manner other than that provided for by law.

Wherefore, Objectors pray as follows:

1. That the Petition to Approve the Amended Account be denied;
2. That Rande L. Gramenz be ordered to file and serve a code compliant amended accounting of the Trust within 45 days of issuance of the order;
3. For costs, and for such other and further relief as the Court deems just and proper.

Petition by Successor Co-Trustee/Beneficiary for Removal of Successor Co-Trustee and Appointment of Sole Successor Trustee

			STEVEN SEAGRAVES , Successor Trustee of the Trust, is petitioner.	NEEDS/PROBLEMS/COMMENTS: Continued from 9/15/15. The trust provides that no bond shall be required of any person named in the instrument as Trustee.

Petitioner requests that:

1. The Court appoint Steven Seagraves as sole successor Trustee of the Seagraves Family Trust dated June 13, 2012;
2. Steven Seagraves be granted full authority as sole Successor Trustee of the real property assets of the Trust including but not limited to property located at 5078 E. Weathermaker, Fresno;
3. The Court determine that no bond be required of the sol Successor Trustee.

Order appointing Steven Seagraves as acting sole successor Trustee until 10/13/15 was signed on 9/15/15.

Objection to Petition for Removal of Co-Trustee, with proof of service, filed on 10/2/15. GREGORY SEAGRAVES, in his capacity as agent for **DARRELL LEON SEAGRAVES**, is objector. Objector admits that Darrell Leon Seagraves is being held in the Fresno County Jail pending disposition of charges that have been filed against him. Objector believes that Darrell Leon Seagraves has plead "Not Guilty" to each of those charges. Darrell Leon Seagraves is presumed innocent of those charges and his being temporarily held in custody does not prevent him from fulfilling his duties as a Co-Trustee. The only asset of the Trust consists of the residence of Ruby Seagraves as well as the household furniture, furnishings and personal effects of Ruby Seagraves. Any administrative duties can be performed by Objector by discussing decisions with him and bringing any necessary documents to him for signature.

Objector further alleges that it was the express intent of his parents that Objector Darrell Leon Seagraves serve together with Steven Seagraves as Co-Trustees unless either one was incapacitated.

Darrell Leon Seagraves has lived with his parents for many years and was caring for his mother prior to being taken into custody. When released from custody Objector is informed and believes that Darrell Leon Seagraves plans to return to his parents' home to care for his mother.

Objector believes that Ruby Seagraves wants to reside in her own residence. There are caretakers who could be hired to provide for her own care in her own home, but Objector alleges Steven Seagraves is more interested in preserving the assets of the trust for his own use following the death of Ruby Seagraves than managing and administering the trust for the care of Ruby Seagraves.

On or about 8/13/15, Objector asked Steven Seagraves how much money was available and was told there was approximately \$60,000 in a CD and \$10,000 in the checking account. Steven Seagraves told Objector that he used about \$7,000 for his attorney's fees.

Objector Prays that the Petition of Steven Seagraves be denied and that Steven Seagraves and Darrell Leon Seagraves continue to serve as Co-Trustees.

Petition to Determine Succession to Real Property

DOD: 01/15/14	CHRISTY L. PEDRON , daughter, is Petitioner.	NEEDS/PROBLEMS/COMMENTS: CONTINUED FROM 10/06/15 Minute Order from 10/06/15 states: The Court will review the matter with regard to the issues raised in the Examiner's notes. If the Court is able to approve the petition, then no appearance will be necessary on 10/13/15. 1. In a summary proceeding the court is limited to making determinations specifically set forth in the statute. The instant petition requires the court to make an inquiry as to the fairness, reasonableness or circumstances surrounding the transfer and/or consideration for the execution of the transfer agreement/request/instructions. The plain meaning of the statute wasn't intended to prompt additional inquiry by the court, which this situation does.
